

BHUK PRODUCT SUPPLY STATUS

OESTROGEL® (ESTRADIOL (0.06% W/W)) PUMP-PACK 750 MICROGRAM/ACTUATION GEL

We are continuing to deliver significant volumes of Oestrogel into wholesalers to meet the continued rising demand we are experiencing.

To boost supplies of this product further, from September 2022 Besins Healthcare will be introducing an additional bottle for Oestrogel into the UK. The additional bottle is a cylindrical shaped bottle with a white lid and contains the same medicine as the current, conical shaped bottle with a blue lid. The additional bottles will greatly increase availability of Oestrogel for patients prescribed this product in the UK.

For pharmacists with enquiries regarding product supplies, please contact supplychain@besins-healthcare.com

For patients and healthcare professionals who have enquiries, please email besins@eu.propharmagroup.com or call 01748 828789

Reporting of side effects

If you get any side effects, talk to your doctor, pharmacist or nurse. This includes any possible side effects not listed in this packaged leaflet. You can also report side effects directly via the Yellow Card Scheme at: www.mhra.gov.uk/yellowcard or search for MHRA Yellow Card in the Google Play or Apple App Store.

By reporting side effects you can help provide more information on the safety of this medicine.
